APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that 0.3 c.f.s., herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times. This permit does not extend to permittee the right to ingress or egress on public or corporate lands.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....0.3.....cubic feet per second

Actual construction work shall begin on or before.....April 1, 1970
Proof of commencement of work shall be filed before.....May 1, 1970
Work must be prosecuted with reasonable diligence and be completed on or before.....April 1, 1971
Proof of completion of work shall be filed before.....May 1, 1971
Application of water to beneficial use shall be made on or before.....April 1, 1973
Proof of the application of water to beneficial use shall be filed on or before.....May 1, 1973
Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed.....APR 24 1970
Completion of work filed.....APR 10 1972
Proof of beneficial use filed.....
Cultural map filed.....
Certificate No.....Issued.....
